DENTISTRY

ENHANCING SMILES, ENHANCING LIVES

Welcome!

Two teams with a single dream. Our story is one that is unique and relatable, and that is just the way we like it. We are Drs. Nikki and Wesley Christian, a husband and wife dentistry team traveling two paths to the same destination - exceptional oral health and amazing smiles from our family to yours.

We operate each with our own office and team, sharing a common vision for gentle, patient-focused dental care that is tailored completely to your unique needs. Everyone has a unique story to tell.

You're more than just a number. You are a unique individual, and we want to treat you as such! So whether you come to see Dr. Nikki's team in Independence or Dr. Wesley's in Blue Springs, you can rest assured knowing that you're receiving top of the line dental care from a team who really cares about YOU. We are a family oriented business, and we welcome our patients to become part of that family.

We've told you our story and now we want to know yours! Because this is about more than teeth. This is about more than health. This is your life. This is your story. Let us help you make it one worth smiling about!
